

People power short at charity op shop

➔ THE North Bondi Op Shop may be a great place to find designer clothes but it can only stay open if it has people to run it.

Chapel by the Sea, the not-for-profit organisation running the store, needs volunteers.

It is also looking for people to staff its second Pop Op Shop in the chapel foyer on Roscoe St in Bondi.

Sales from both stores go towards meals, showers, staff and programs at Norman Andrews House, used to help those struggling with poverty, addiction and mental illness.

To volunteer: 9130 3445 or events@chapelbythesea.org.au.
